Federico Consorte

Date of birth: 22/04/2002 | **Nationality:** Italian | **LinkedIn:**

https://www.linkedin.com/in/federico-consorte-6b28241b6 | **Address:** Italy (Home)

ABOUT ME

A lifelong athlete with a background in competitive sports, my passion for the tech world was ignited during my adolescence through online content. This deep-rooted interest drove me to pursue a degree in Computer Science, a path that I am continually confirming to be the right choice for me.

EDUCATION AND TRAINING

09/2021 – 09/2024 Milan, Italy

BACHELOR DEGREE IN COMPUTER SCIENCE ENGINEERING Politecnico di Milano

Website www.polimi.it | **Field of study** Information and Communication Technologies | **Level in EQF** EQF level 6

09/2024 – CURRENT Milan, Italy

MASTER DEGREE IN COMPUTER SCIENCE ENGINEERING Politecnico di Milano

Website www.polimi.it | **Field of study** Information and Communication Technologies | **Level in EQF** EQF level 7

PROJECTS

CURRENT

LLM-Driven Optical Network Optimizer (Master Thesis) | Python, LLMs

Engineered an LLM-driven optimization framework in Python to solve the Routing and Wavelength Assignment (RWA) problem in optical networks, implementing a reflective feedback loop to autonomously generate and refine routing heuristics.

03/2026 – 07/2026

Animex | TypeScript, Vue.js, Ionic, Capacitor

Developed Animex, a mobile app that transforms wildlife encounters into interactive learning experiences using camera-based animal identification, conversational AI, and immersive habitat overlays.

03/2026 – 07/2026

Scientific Literature Data Pipeline | Python, APIs

Developed an end-to-end data pipeline to extract, process, and perform citation network analysis on thousands of research papers regarding Large Language Models.

11/2025 – 01/2026

Milan Public Establishments EDA | Python

Developed an exploratory data analysis and preprocessing pipeline in Python (Pandas) for a dataset of Milan's public establishments, implementing text cleaning, string manipulation, and feature engineering on commercial and categorical variables.

03/2024 – 06/2024

Codex Naturalis | Java

Engineered Codex Naturalis, a distributed 2D card game in Java, leveraging design patterns and clean code principles to deliver a scalable and maintainable multiplayer experience.

09/2023 – 01/2024

Teemy (UX/UI Design) | Figma

Designed the UI/UX and interactive Figma prototype for a sports networking app that enables users to organize matches and join open bookings, developed for a Human-Computer Interaction academic project.

LANGUAGE SKILLS

Mother tongue(s): **ITALIAN**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	B2	B2	B2	B2	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Programming Languages

Python (computer programming) | TypeScript | C | Java (computer programming) | VHDL - Hardware Description Language

Frameworks

Ionic Capacitor Framework | State Management - Vuex, Pinia - Expert | use presentation software

Tools & Infrastructure

Git | Figma

Core Competencies

Data Analysis | UX/UI Design | Machine learning

Soft Skills

Analytical & Critical Thinking | Presentation Skills | Continous Learning | Teamwork
